

Step Up from Your Basic Phone Line

Packed with business critical features right out of the box, Voice Essentials powers your business with unlimited local, unlimited domestic long distance[†], a convenient web portal, and more. Lower your monthly spend with a straightforward, easy-to-use communication solution.

SIMPLE SETUP

Open the box, connect your existing devices and you're good to go. Need more lines? Easily add up to 8 lines by simply ordering through Birch's online portal and plugging in your phone.

REAL COST SAVINGS

Birch provides the highest quality of service without complex pricing modules at a set monthly rate. Save up to 50%*

UNLIMITED LOCAL CALLING & DOMESTIC LONG DISTANCE[†]

Don't be restricted by calling plans that vary based on local or long distance[†] minute usage. Remove the worry of surprise changes with unlimited local and domestic long distance[†].

*Savings based on average POTS line charge including long distance.

[†]Terms and conditions apply: see www.birch.com/legal/acceptable-use-policy for details
